Dr ISSB-member nr 4031.
For a long time I am trying to collect the required qsl-crds for the King Neptune Trophy: 500 members on SSB and 500 on CW. Today only 25 crds for the CW-section are failing and you can help me with qsl for this qso. I know our qso took place long ago but I hope you still will be so kind to send me a crd. Thank you on before-hand and 73.
